Mr. Schomer had been warned after missing the required urinalysis on November 23, 2005, that any other missed urinalysis would result in the probation office's request for Court action.

Mr. Schomer met with this probation officer on December 7, 2005, and admitted he failed to report for required urinalysis testing. As of this meeting, he had not made contact with New Horizons treatment center, despite being directed to do so during an intake appointment with the undersigned officer on November 14, 2005. The probation officer scheduled an appointment for him with New Horizons on December 20, 2005 at 12:30 p.m.

Mr. Schomer was referred to mental health treatment with Carl Greenberg, mental health therapist contracted with Betty McQuirk. Mr. Schomer met with Mr. Greenberg for their first appointment on December 6, 2005. During this meeting, Mr. Schomer told Mr. Greenberg that he was not interested in engaging in treatment services.
